

# OUTDOOR SPORTING HERITAGE MUSEUM

Here is an exciting new opportunity to support the OSH museum by personalizing a wood inlaid plaque, to be placed in the museum floor, or personalizing a brick for inclusion in the Flag Center and walkway.

- Distinctive inlaid plaques of approximately 6"x8", will be inserted into the museum floor at various locations. For a donation of \$1,000 this will be an extremely attractive way to support the museum.
- Bricks for an outdoor Flag Center will be part of a walkway leading to the featured flag center. The bricks come in two sizes, double 8"x8" (\$500) & singles 4"x8" (\$250).

These attractive permanent bricks and plaques will be engraved with your name, a family member, camp name, or other person or place. They will recognize your special intention while supporting the museum that will honor Rangeley's rich history and the individuals who contributed to our traditions.

All proceeds from this program will benefit the new museum.
